Extension: Rule 506(e) of Regulation D Felons and Other Bad Actors Disclosure Statement

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget the following request for an extension of the previously approved collection of information discussed below.

Regulation 506(e) of Regulation D (17 CFR 230.506(e)) under the Securities Act of 1933 (15 U.S.C. 77a et seq.) requires the issuer to furnish to each purchaser, a reasonable time prior to sale, a description in writing of any matters that would have triggered disqualification under Rule 506(d)(1) of Regulation D, but occurred before September 23, 2013. The disclosure required by Rule 506(e) is not filed with the Commission, but serves as an important investor protection tool to inform investors of an issuer’s and its covered persons, involvement in past “bad actor” disqualifying events such as pre-existing criminal convictions, court injunctions, disciplinary proceedings, and other sanctions enumerated in Rule 506(d). Without the mandatory written

statement requirements set forth in Rule 506(e), purchasers may have the impression that all bad actors are disqualified from participation in Rule 506 offerings.

We estimate there are 19,908 respondents that will conduct a one-hour factual inquiry to determine whether the issuer and its covered persons have had pre-existing disqualifying events before September 23, 2013. Of those 19,908 respondents, we estimate that 220 respondents with disqualifying events will spend ten hours to prepare a disclosure statement describing the matters that would have triggered disqualification under 506(d)(1) of Regulation D, except that these disqualifying events occurred before September 23, 2013, the effective date of the Rule 506 amendments. An estimated 2,200 burden hours are attributed to the 220 respondents with disqualifying events in addition to the 19,908 burden hours associated with the one-hour factual inquiry. In sum, the total annual increase in paperwork burden for all affected respondents to comply with the Rule 506(e) disclosure statement is estimated to be approximately 22,108 hours of company personnel time.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
